31 March 2022

Dear Shareholder,

### **1. INTRODUCTION**

Accompanying this letter is the Notice (“Notice”) of the annual general meeting of LungLife AI, Inc. (the “Company”) to be held at 2:00 p.m. BST on 11 May 2022 at Investec Bank plc, 30 Gresham Street, London, EC2V 7QP, United Kingdom (including any adjournment or postponement thereof, the “Annual General Meeting”).

Following the easing of coronavirus (COVID-19) restrictions in the UK, the Board has made arrangements to enable shareholders to attend the Annual General Meeting in person. However, in light of the uncertainty as to any further COVID-19 measures that may be put in place by the UK Government and bearing in mind the inherent risk of large gatherings, the Company encourages shareholders to consider submitting their voting instructions in advance by appointing the Chairman of the meeting as their proxy, rather than attending and voting on the day. This will ensure that votes are registered in accordance with shareholders’ wishes regardless of any restrictions or disruption around the Annual General Meeting and will also help protect the health and safety of shareholders, directors and other necessary attendees. Depending on the public health situation, we may impose additional procedures or limitations on attendees beyond any described in this Notice of the Annual General Meeting. The Board will make arrangements for shareholders to listen to proceedings remotely should they wish to do so. We will announce details of how to listen to the meeting remotely and any other significant changes to the meeting arrangements via RNS and on our website at <https://investors.lunglifeai.com/>

We strongly encourage you to vote by proxy, whether or not you plan to attend the Company’s Annual General Meeting in person. Alternatively, you may register your votes on the resolutions of the Annual General Meeting by completing and returning the proxy form that accompanies this Notice in accordance with the instructions printed on the proxy form.

If your holding of Common Shares is by way of dematerialised depository interests representing underlying Common Shares (“Depository Interests”), you can vote through the CREST system or by returning a Form of Instruction to the Depository. Further instructions are set out in the Notes to the Notice of Annual General Meeting at the end of this document.

The resolutions to be proposed at the Annual General Meeting are summarised below.

The Company’s issued and outstanding share capital as of the close of business on 31 March 2022 (the “Reference Date”) was 25,480,790 shares of common stock of the Company (“Common Shares”) carrying one vote each.

### **2. SUMMARY OF RESOLUTIONS**

The business of the meeting will be conducted on a poll and stockholders are asked to vote on the matters set out below at the Annual General Meeting. Resolution 1 and Resolution 8 require a simple majority of shares present in person or represented by proxy at the meeting and entitled to vote on the matter voting in favour to pass. Resolutions 2 to 7, with respect to the re-election of directors, will be determined by a plurality of the shares present in person or represented by proxy at the meeting.

## **2.1 Annual Report and Accounts for the year ended 31 December 2021**

The Directors will present their report and the audited financial statements for the year ended 31 December 2021, together with the auditors' report thereon. ## NOTES

1. To have the right to attend and to vote at the Annual General Meeting (and also for the purpose of how many votes a holder of Common Shares casts), a record holder of Common Shares must first have had his or her name entered in the register by no later than close of business on 31 March 2022. Changes to entries on the register of holders of Common Shares after that time shall be disregarded in determining the right of any record holder of Common Shares to attend and vote at the Annual General Meeting.
2. A form of proxy is enclosed with this Notice of Annual General Meeting for holders of Common Shares. Unless an alternative proxy or proxies are appointed, the Chairman of the Annual General Meeting will be appointed as proxy.
3. A stockholder entitled to vote at the Annual General Meeting holding a physical certificate is entitled to appoint one or more proxies to vote instead of him or her. A proxy need not be a stockholder of the Company but must attend the Annual General Meeting to represent you. Details of how to appoint a proxy are set out in the enclosed form of proxy for use by stockholders, or you may follow the instructions to appoint a proxy electronically below. Submitting a vote by proxy will not prevent a stockholder from attending and voting in person if he or she so wishes. To be effective, either (a) a vote must be submitted electronically no later than 2.00 p.m. BST on 9 May 2022 (or 48 hours (excluding weekends and public holidays) before the time appointment for any adjournment of the Annual General Meeting), using the link [www.signalshares.com](http://www.signalshares.com) and selecting LUNGLIFE AI, INC (You will need to log into your Signal Shares account or register if you have not previously done so. To register you will need your Investor Code, this is detailed on your share certificate or available from our Registrar, Link Group.); or (b) the enclosed form of proxy must be completed, signed and deposited, together with any power of attorney under which it is executed (if applicable), with the Company at the offices of the Company's registrars, Link Group, PXS 1, 10<sup>th</sup> Floor Central Square, 29 Wellington Street, Leeds LS1 4DL so as to be received no later than 2.00 p.m. BST on 9 May 2022 (or 48 hours (excluding weekends and public holidays) before the time appointment for any adjournment of the Annual General Meeting).
4. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different Common Shares. You may not appoint more than one proxy to exercise rights attached to any one Common Share. To appoint more than one proxy you may photocopy the enclosed form of proxy. Please indicate the proxy holder's name and the number of Common Shares in relation to which they are authorised to act as your proxy (which, in aggregate, should not exceed the number of Common Shares held by you). Please also indicate if the proxy instruction is one of multiple instructions given by you. All hard copy forms of proxy must be signed and should be returned together in the same envelope.
5. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment or postponement thereof by using the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via [www.euroclear.com](http://www.euroclear.com)). The message, regardless of whether it relates to the appointment of a proxy or is to an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Link Group (ID RA10) by the latest time(s) for receipt of a proxy appointment specified in this Notice. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which Link Group is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST.

6. CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is therefore the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider(s), to procure that his or her CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted

by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertified Securities Regulations 2001.

7. Every stockholder who is present in person or by way of a proxy has one vote for every Common Share of which he or she was a holder as of 5:00 p.m. on 31 March 2022. The "Withheld" option on the proxy form is provided to enable you to abstain on any particular resolution. However, it should be noted that, a "Withheld" vote is not a vote in law and will not be counted in the calculation of the proportion of votes "For" and "Against" a resolution.
8. Any corporation or other entity which is a stockholder may by a resolution of its directors or other governing body authorise such persons as it thinks fit to act as its representative at the Annual General Meeting or to approve a resolution submitted in writing and the person so authorised shall be entitled to exercise on behalf of the corporation or such other entity which he or she represents the same powers (other than to appoint a proxy) as that corporation or such other entity could exercise if it were an individual stockholder.
9. If you return more than one valid proxy appointment, either by paper or electronic communication, in respect of the same shares, the appointment received last by the Registrar before the latest time for the receipt of proxies will take precedence. You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all stockholders and those who use them will not be disadvantaged.
10. If you appoint a proxy to vote on your behalf at the Annual General Meeting, your voting rights will revert to you at the conclusion of the Annual General Meeting or any adjournment or postponement of the Annual General Meeting.
11. Copies of this Notice and related information can be found on the Company's website at <https://investors.lunglifeai.com/>
12. As of the close of business on 31 March 2022, the total number of the Company's issued and outstanding Common Shares was 25,480,790 (no shares were held in treasury). Each Common Share carries the right to one vote at the Annual General Meeting of the Company and, therefore, the total number of voting rights in the Company as at the close of business on 31 March 2022 is 25,480,790.
13. Defined terms used but not defined in this Notice shall have the same meaning given to them in the enclosed Letter from the Chairman dated 31 March 2022.

#### **DEPOSITORY INTEREST HOLDERS**

3. Every holder of Depository Interests on the register of Depository Interests at 5:00 p.m. on 31 March 2022 has one vote for every Depository Interest of which he or she was a holder as of that time. The "Withheld" option on the Form of Direction is provided to enable you to abstain on any particular resolution. However, it should be noted that, a "Withheld" vote is not a vote in law and will not be counted in the calculation of the proportion of votes "For" and "Against" a resolution.

4. If your holding of Common Shares is by way of Depository Interests, you can vote either:
- (a) through the CREST system (for CREST members). The instructions submitted via the CREST system must be received by the Company's agent Link Group by 2:00 p.m. BST on 6 May 2022 (or 72 hours (excluding weekends and public holidays) before the time appointment for any adjournment of the Annual General Meeting). Please refer to Notes 5 and 6 above which equally apply to voting through CREST if you hold Depository Interests; or
  - (b) by completing and returning the enclosed Form of Direction in accordance with the instructions printed thereon. The Form of Direction must be deposited, together with the power of attorney or other authority (if any) under which it is signed, or a notarially or otherwise certified copy of such power or authority, at Link Group, PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL by no later than 2:00 p.m. on Friday, 6 May 2022.
